Step 5

COMPLETE!

EAGA INTER-MODAL TRANSPORT LINKAGES

A photograph showing a group of people, primarily women, working with large quantities of green seaweed. They are situated under a large, rustic wooden structure that appears to be a drying rack or a shelter. A large blue tarp is draped over the top left. In the foreground, a man in a blue jacket is crouched, working with the seaweed. To the right, a woman in a red shirt and striped pants is smiling at the camera while also working. Other people are visible in the background, some sitting and some standing, amidst various items like blue plastic containers and hanging nets. The scene is set outdoors, likely near a body of water.
